

Modern Storm Door

1L Full View Interchangeable

1L-FV-225-RS

Modern door, built with old-fashioned quality. The 2 1/4" Fullview storm door is built to last and looks great. Its bold design gives it a modern flair to dress up any entry door with style and functionality. Whether it is for an added layer of protection against the elements or to let in the fresh air in the summer, Everlast storm doors are sure to please. This 1 lite design comes with an interchangeable screen for full-time ventilation in summer and a full glass view in winter. The 2 1/4" thick door comes prehung and has a satin silver DX handle.

- 1 lite design provides convenient ventilation
- Interchangeable screen replaces the glass in summer
- Double baked enamel Duracron Finish
- Heavy Duty torsion bar closer

Includes

- 2-1/4" thick frame with reinforced corners for durability
- Screw cover to hide installation screws
- Satin silver DX handle
